

HOUSE SYSTEM

The school has established a House System to encourage students to work together in unison, co-operation, and in a healthy competitive environment. The Captains and Prefects meet regularly to discuss, organize, and put into action the Inter House events. The daily assembly, maintenance of discipline, and cleanliness of the school lies in the hands of the House on duty. The House on duty will coordinate the inter-house competitions to be held in that week.

In a move to make the House System more meaningful and interactive, the students have been divided into four houses.

House of Happiness	- Blue Colour
House of Hope	- Green Colour
House of Harmony	- Red Colour
House of Humane	- Yellow Colour
