

IDEAS TO INCULCATE VALUES AND BUILD RELATIONS (FOR PARENTS)

KINDLY:

1. Use a lot of vocabulary of LOVE, RESPECT, KINDNESS & HONESTY.
2. Listen to your child's narrations and stories.
3. Exercise, play, and walk together.
4. Discuss homework, subjects, school rules, and regulations in the right spirit, as you are our valued co-parents in the journey of learning.
5. Learn something new, e.g.; a computer game from your child.
6. Build/ make a model airplane/make a kit/draw and paint together/play any game so that they would know the way to enjoy quality leisure time.
7. Promote television programs related to Nature, Environment, History and Science & Technology by watching together.
