

## **MEDICATION SICK BAY**

1. Pupils, who are ill and need medication, should be kept at home.
2. The school is not allowed to administer medicines except for situations when it may be necessary.
3. In case medicine needs to be administered to your child during school hours, it should be handed over by the parent to the school nurse with the prior permission from the school authority.
4. The medicine must be labelled with the child's name and dosage written on the bottle or box.
5. No medicine should be sent with the children.
